From the Principals' Desk

As I walk down the hallways of the college every day, I can hear the chatter of eager minds, the shouts of excitement from the student teachers. The perpetual energy, movement and enthusiasm permeate the atmosphere at Sree Siddaganga College of Education. We are an institution with a difference, we value individualism, creativity and innovation and strive to nurture them in our student teachers.

Our motto "Work is Worship" is at the heart of everything we do at the institution. We aim to not just impart knowledge to the student teachers, but also to inculcate in them – wisdom, compassion, and humanitarian spirit. We have a multicultural student population; hence we teach children the importance of tolerance and respecting each other's culture. Discipline, values and integrity are the very foundation of this institution.

Besides rigorous academic programmes we seek to develop and nurture the different facets of student teachers. The institution encourages all the student teachers to participate in a variety of co-curricular activities- community work to environmental conservation activities. It is important for a student teacher to explore and find their strengths to reach their true potential. Whether a student teacher is an introvert or extravert personality, the aim is to nurture the student teacher into a self-confident individual.

As an institution we think about how to engage student teachers and hold their attention. If a lesson is to be productive, how do we make sure the students observe the topic? With this constant question in our mind, we continuously upgrade our teaching tools and techniques as well as our academic programmes. In a technology prevalent world today, we appeal to young minds by incorporating modern technologies in the teaching learning process.

About the institution

Sree Siddaganga Education Society is renowned for engendering leading educational institutions. Imbued with a fervent longing to guide and serve the society, Sree Siddaganga Education Society has established educational institutions over the years all over the country. In these institutions, the students are exposed to a wide spectrum of knowledge from traditional learning of Sanskrit to modern science and technology.

His Holiness has visualised with his sense of intuitive perception a society with morally righteous, ethically upright and socially enlightened, a society in which a sense of dignity of labour and unity of mankind is all pervasive, in substance a society based on the noble teaching of Lord Basava. To create the society of his vision, His Holiness felt the need of teachers of innate worth and nobility of character who work with dedication and strive to raise to the status of Acharyas of olden days. To prepare such quality teachers Revered Swamiji started the college of education at Tumakuru in the year 1972.

Sree Siddagange College of Education is one of the reputed institutions run by Sree Siddaganga Education Society under the patronage of Sree Siddaganga Math. It is situated in the heart of the city and housed in a three storied building.

At the time of inception, the college was affiliated to Mysore University. Later it was brought under Bangalore university. At present, the college is permanently affiliated to Tumkur University and recognised by NCTE. The institution came under Grant-in-aid system in the year 2009 by the Government of Karnataka. The college is included under 2(f) and 12(b) of UGC Act. **The college is accredited by NAAC with 'A' Grade with CGP 3.02.**

Over the past four decades the college has grown steadily and developed into one of the leading and highly reputed institutions, the credit for which goes mainly to the combined efforts of visionary management and dedicated staff. Right from its inception the college is fortunate enough to have principals who were good academicians and eminent administrators. They are all pioneers and have given strong base to the institution and left their footprints in it.

The college has developed good rapport, recognition, and honour in the society by the University and the stakeholders due to its functioning and services. It prepares student-teachers for a prosperous and splendid career in the field of education. For this the institution gears up adequate intrinsic mechanism and adopts new pathways in achieving the goal of academic excellence by organizing variety of activities. The student-teachers of this reputed institution are exposed to a unique experience during their expedition of learning the teaching skills and developing competencies which enable them to enter the teaching field with confidence.

Sincere efforts are made by the institution to provide the best possible experience to the future teachers and develop the needed teaching competencies in them to meet the challenge of the teaching profession.
